SPRING SUMMER 27

Our Story

Yavi is a fashion and accessories label which believes that there is more to the garment than what meets the eye. Each piece is carefully created and curated, keeping in mind our handcrafted ethos. From hand painted designs to meticulous hand done embroidery, Yavi embraces the artistic approach. Our conscious way of creation culminates in pieces that are unique in their own right.

Kitsch Vase

Yavi's "Kitsch Vase" story unfolds as a vibrant still life, echoing the tactile richness of wax crayons and oil pastels. Bold poppies burst against a textured, abstract lattice. This Impressionist-inspired print masterfully blends relaxed elegance with the whimsical, celebratory essence of fine art.

Tuscan Fountain

Yavi's "Tuscan Fountain" channels the fluid motion of water cascading over ancient stone. This structured arrangement gives the illusion of a rigid material coming alive, bending and undulating across the fabric.

Ballerina Story

The Ballerina Story operates like a slow-motion shutter capturing an impossible dance. The depth is entirely optical, created by layers of sweeping brushstrokes and smoky vignettes that mimic stage light cutting through a dreamscape, formulating a movement-inspired story for Yavi's SS27 collection where stillness gracefully gives way to an eternal, delicate flow.
